

Pointe School District

Charter School Solutions:

Pointe School District was growing fast, and had a waiting list for students. They chose Team Solutions for permanent space solutions on their campuses to grow wisely, and in phases.

Point School District-Glendale, AZ

Modular Solutions, Ltd has worked with Point Schools on multiple occasions as they have continued to grow. By adding classrooms, multi-purpose space, and even food service buildings the schools are able to offer more amenities and plan for growth.
